To all our customers:

Subject: Declaration of compliance with Regulation (EC) No. 1907/2006 (REACH)

The subject of European Regulation 1907/2006 (REACH) is the Registration, Evaluation, Authorisation and Restriction of chemical substances.

OMT Group declares that the information below is representative and accurate at the date of signing the communication and is based on current business knowledge.

Scope of the declaration

Products placed on the market by OMT Group.

Registration / Pre-registration

OMT Group, pursuant to the REACH Regulation, is a "downstream user" of chemicals and a "manufacturer of articles", and is therefore not required to register / pre-register the substances in the articles it produces.

SVHC substances

In compliance with Article 33 of the REACH Regulation, OMT Group is required to communicate to customers all articles with a content of SVHC substances (listed in the Candidate List) above 0.1%.

In accordance with the latest update of the Candidate List (5 November 2025), OMT Group communicates that, in some of its products, there are:

- components made of Steel with added Lead (CAS no. 7439-92-1) with a concentration between 0.3 and 1%
- components made of Brass with added Lead (CAS no. 7439-92-1) with a concentration between 1 and 10%
- components made of Aluminium with added Lead (CAS no. 7439-92-1) with a concentration between 0.3 and 1%

More information on the list of SVHC substances is available on the ECHA website at the following address:

<https://echa.europa.eu/it/candidate-list-table>

OMT Group will inform its customers in the event of the presence of SVHCs not indicated in this communication.

Any changes not authorized by the OMT Group that are applied to any of its products after supply to your company, will not be covered by this declaration.

If you would like further information on the SCIP Notifications relating to the products supplied to you, please send a specific request to: qualityassurance@omtgroup.it.
